CHURCH OF ENGLAND SACRAMENTS: **Marriage**

Did you know?

... that you can marry in the Church of England whatever your beliefs. Whether or not you are christened/ baptised and regardless of whether you go to church, it's your church and we welcome you!

... that you can make amazing vows in a church. You can only make promises this big when you marry in church. These vows, made in public, will help you to stay together and grow together.

... that a church wedding isn't just about the big day. Whether or not you get married where you live, your local church will be there for you in the months and years to come.

... that marriage is good for you!

You can get married at St Paul's Church if:

- one of you lives in the parish or is on the electoral roll;
- one of you has at any time lived in the parish for at least 6 months, or has regularly attended worship at St Paul's Church for at least 6 months;

If none of these applies, you can still get married at St Paul's if you are granted a Special Licence.
